FAQ

- **Who Are We?**

We are a group of people that moved to Granada for different reasons and wanted to improve the process of finding connection here. Therefore, we created this group that everyone can join and hopefully find friends!

- **What Is The Purpose Of The Different Groups?**

Each group has its own needs and expectations, for example we have people that want to meet on weekdays, weekends or for longer hikes. We also offer short hikes for folks with limited mobility.

- **Do I Have To Pay To Enter A Group?**

No! Participation is completely free. However, please sign up for the event you want to join so that we know how many people to expect.

- **Do I Have To Pay To Enter A Group?**
